JOIN US FOR A PRESENTATION ON Safe Medication Management

Proper storage and disposal of medications helps prevent accidental and intentional misuse and also protects the environment. In this presentation offered by the Council on Chemical Abuse, you'll learn about no-cost programs in Berks County to support medication safety, including drop box locations, medication lock boxes available free to residents, and medication disposal bags that neutralize medicines for safe disposal, also available at no cost to county residents.

This is a free event but please let us know you are coming by contacting Trisha Rotelli at (610) 775-3000.
